

Canoncito Health Center

Let's defeat
Breast Cancer
Together

5 STEPS TO EARLY DETECTION OF BREAST CANCER

- 1- Routinely self-examine yourself
- 2- Know your risks and family history
- 3- Learn when to have a mammogram
- 4- Regularly visit your doctor
- 5- Follow-up after a screening test

Mammogram van will be here
Thursday, July 28, 2022
