

To'hajiilee Community Update from CBNHC: As of June 16, 2022 we have recorded **1281 positive** total cases of coronavirus. **We have had 23 new positive cases in the past 7 days**, and 35 positive cases for the month of June. **June = 23.97%** **May = 4.3%**

As of 6-16-2022: 2100 primers, 1920 booster #2 doses administered, 3rd boosters given: 1095, 4th booster: 153, Pediatric doses: 111 primers, 52 2nd doses, 8 boosters

News: **To'hajiilee is in the midst of yet another covid outbreak!** Please mask up and avoid crowds. Our positivity rate (23.97%) is in all likelihood **not** showing the true rate, as many people are testing at home and not reporting their results. If you test positive at home, please call the clinic. We have antiviral treatments that can be prescribed if applicable.

In other news, the FDA has approved the 6 month old to 5 year old covid vaccine. We will be carrying it soon and will make the announcement once we have it in stock.

Covid testing at CBNHC:

Mondays 1-3:30 , Tuesday through Friday: 1- 2pm. We will offer home testing kits to people that show up at other times.

Pfizer **PEDIATRIC** Clinics- Wednesdays by appointment, Pfizer ADULT vaccines: Fridays by appointment, Moderna Clinics- Tuesdays by appointment.

Respectfully, CDR Alexander Varga, USPHS
